

PRESIDENT'S REPORT - August, 1999

On behalf of the membership, I extend our thanks and appreciation to Cindy Fong for her dedication and hard work over the last year as President. We also wish her the best of good fortune and happiness in her future endeavours south of the border.

It is my privilege to hold the office of President for this year ---- on the cusp of the new millennium. - FCCP Education 15th Anniversary Celebration / Millennium Conference
 - A Million by the Millennium Campaign
 - Past Award of Merit Winners return for Conference
 - Gala Evening to celebrate 15th Anniversary of FCCP Education

Foundation

- Initiatives 2000 Sub-Committee
 - Sub-Committee formed to identify and develop initiatives for revitalization of the FCCP's profile in the community and within its membership
- Development of FCCP website
- 2000 New Year's Ball - January 29, 2000 - Year of the DRAGON
 - Plan to celebrate this momentous Y2K Chinese New Year with the FCCP at its annual Ball!

I urge you to forward any suggestions you might have to make the FCCP more of what **you** want to me at (416) 860-1199 / rtsao@idirect.com or to any of your other Board Members.

With best regards,

Dear fellow member of
the F.C.C.P.:

I would like to invite you to be a part of our 15th Anniversary Celebration on 18th September, 1999, Saturday at the Art Gallery of Ontario. You have founded this charitable institution 15 years ago, dedicated to helping students reach their potential. A brochure is enclosed for your perusal.

Our capital has now grown to \$850,000, the interest of which pays annually for over 50 scholarships, and the Award of Merit. The awards are selected by the universities' own professors, irregardless of race or religion, and they are based solely on financial need and academic stability. You would be pleased to know that we have helped over 600 students, young people with talent and potential, to realize their goals of excellence. We were most appreciative

of Bill Davies' recent comment: "No young person should ever be prejudiced vis-à-vis a chance to experience post-secondary education because of lack of economic wherewithal."

The Celebration is designed to ensure the Foundation's capital to reach a million dollars by the millennium. The 2 parts of the 15th Anniversary Celebration will take place on 18th September, 1999, Saturday, both at the Art Gallery of Ontario on Dundas St. We would like to invite you to come to the afternoon Conference on Excellence in the Millennium, in the Jackson Hall at the Art Gallery of Ontario at 1:00 p.m. for \$20 a ticket. The previous and famous winners of the Award of Merit will be giving us an insight into their vision for their fields in the Millennium. The Gala Celebration will be in the evening, in the Walker Court at the Art Gallery of Ontario, starting at 6:00 p.m. The evening will include docent led tours of the Old Masters' Galleries, and performances from the past winners of the Education Foundation's Roman Tam scholarships at the Royal Conservatory of Music. The tickets for the Gala is \$200 per ticket, with the maximum allowable for receipts for tax purposes.

Please consider helping the Education foundation reach this goal. We want to build a healthy capital so that we can do more as post-secondary education costs soar in the millennium. Should you have any questions, please feel free to contact Mrs. Yvonne Chiu, who is the Celebration Co-ordinator, at (416)-485-6504.

Thank you for your interest and support.

Yours sincerely,

Dr. John H. C. Chiu,

Item for Newsletter; During my Presidency in 1993-1995, I arranged with CAA to provide group memberships for FCCP members and many took advantage of the reduced rate. Previous CAA members can join the FCCP account upon renewal to get favourable rates. Just call CAA and ask for Eric Viola (ask Cindy for phone number, I gave it to her last year). Got to go. Email later.
